## EasyCare Safety Bed Warranty

### **Intended Use**

The EasyCare Safety Bed safety rails are intended to deter and impede the possibility of rolling out of the bed. This product is not intended to take the place of proper customer supervision. Modification of the product or components will void the warranty and prevent the product from performing it's intended function.

### **Maintenance**

It is recommended that a peroidic check of all fasteners, to assure they are tight, is performed as outlined in the owner's manual. Cleaning the bed should be done with a mild soap and water solution. No harsh detergents, abrasives or chemicals should be used.

### **Full 1 Year Warranty**

The EasyCare Safety Bed™ is warranted against defects in the workmanship or materials for a period of one year from the date of purchase. Upon notice during the first year after the warranty commencement date, Specialty Furniture Products, Inc. will repair or replace (at no cost to the purchaser) any defective EasyCare Safety Bed part.

### **5 Year Limited Warranty**

The EasyCare Safety Bed™ has a limited warranty for the second through the fifth year from date of purchase. Specialty Furniture Products will replace any part that is found to be defective. The purchaser will pay for shipping and service costs related to the replacement of the defective part.

### **4 year Mattress Warranty**

If the mattress fails to provide proper support during the warranty peroid due to a manufacturing defect , the mattress will be replaced at no charge to the customer.

### **Additional Terms and Conditions**
